Taking the ABAM Certification Exam?

Sign Up for the Exam Preparation Track.

CONFERENCE HIGHLIGHTS:

- THOMAS MCLELLAN, PHD ▶ White House Drug Policy
- FRANCIS VOCCI, PHD ▶ Pharmacology and Medical Management
- ELIOT GARDNER, PHD ▶ Neurobiology
- DANIEL ALFORD, MD, MPH ▶ Pain and Safe Prescribing
- ALAN BUDNEY, MD ▶ Cannabis
- RICHARD RIES, MD ▶ Addiction and Co-occurring Psychiatric Disorders
- PETER BANYS, MD, MSC ▶ Addiction Treatment

JOIN US IN NEWPORT BEACH

CSAM's Addiction Medicine Review Course is one of the nation's premier review conferences in the field of addiction medicine. Whether you are preparing for the American Board of Addiction Medicine (ABAM) Certification Exam, refreshing your knowledge of the addiction medicine field, or learning about the diagnosis and treatment of addictions, this course has something to offer you.

The extraordinary schedule includes preeminent leaders in the field. The conference will open with **Thomas McLellan, PhD**, speaking about his experience in the creation of public policy on addiction treatment from a national perspective. **Francis Vocci, PhD** provides an update on the latest in receptor pharmacology and medical management of addictions. Other speakers include **Marc Fishman, MD**, discussing the special needs of the adolescent population that physicians need to consider when diagnosing and treating addictions, and **Richard Ries, MD**, providing an overview of dual diagnosis. A CSAM tradition, small group discussion of cases relevant to the topics presented, will complement the lectures and provide an experiential learning format.

At Thursday evening's dessert reception, **Reef Karim, MD** will provide a unique perspective on the treatment of celebrities with addictions. After several days of rigorous educational activities, a BBQ dinner on Sunday overlooking Newport Beach Harbor provides an opportunity for relaxation and conversation.

As in prior years, a special track is offered for those taking the ABAM Certification Exam. The exam track has been very effective, achieving a 94% pass rate in 2008, the highest of all exam preparation courses in addiction medicine. This year we plan to improve on past years, including using an audience response system.

Pre-conference workshops on Wednesday, October 27 include: the management of pain and addictions, advanced topics in the clinical use of buprenorphine, case-based discussions of complex detoxification strategies, medical marijuana, and the role of physician well-being committees after the elimination of the California Medical Board's Diversion Program.

We look forward to having you join us!

Mason Turner, MD, Conference Chair
Chief, Department of Psychiatry, Kaiser San Francisco Medical Center

CONFERENCE PLANNING COMMITTEE

Mason S. Turner, MD, Conference Chair
Marianne Aldridge, MD
Susan Ferguson, MD, MS
Dana Harris, MD
Mark Hrymoc, MD
Monika A. Koch, MD
Jean A. Marsters, MD
Suma C. Singh, MD
Emjay Tan, MD
Christy S. Waters, MD

Facilitators/Small Group Planners

William S. Brostoff, MD
Steven Eickelberg, MD

Exam Group Planners

Murtuza Ghadiali, MD
James W. Golden, MD
Mark Hrymoc, MD
Jack Kuo, MD

WHO SHOULD ATTEND?

This course is designed for:

- Practicing physicians in both primary care and other specialty fields seeking an introduction to the full spectrum of substance use disorders, their diagnosis, and appropriate management;
- Physicians preparing for the certification examination in addiction medicine requiring an overview of the core elements of addiction medicine in a way that allows them to identify the areas where they may need more study;
- Other health care professionals, including psychologists, therapists, nurses and drug abuse counselors, who are involved in the treatment of patients with substance abuse disorders.

INFORMATION

California Society of Addiction Medicine
575 Market Street, Suite 2125
San Francisco, CA 94105
ph: 415/764-4855 fax: 415/764-4915
csam@compuserve.com
www.csam-asam.org

“ This conference successfully prepared me to pass the certification exam two years ago, and this year the course provided me with significantly more information to expand my comprehension of the field of addiction medicine. ”

— Philip Martin, MD

CREDIT

Physicians: The California Society of Addiction Medicine (CSAM) is accredited by the Institute for Medical Quality/California Medical Association to provide continuing medical education for physicians. CSAM takes responsibility for the content, quality and scientific integrity of this CME activity.

CSAM designates this educational activity for a maximum of 30 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Family Physicians: Accreditation is pending from the American Academy of Family Physicians.

Psychologists: The California Board of Psychology accepts CME courses accredited by the California Medical Association for continuing education credit. In other states, where requirements vary, psychologists should check with their state board.

Therapists: This course meets requirements for up to 25 hours of continuing education credit for MFTs, MFCCs and LCSWs as required by the California Board of Behavioral Sciences. The provider number is PCE3447.

Drug Abuse Counselors: CSAM has been approved as California Association of Drug Abuse Counselors Education Provider #4C-05-415-0411. All applying for CAADAC credit should report their hours directly to CAADAC.

Nurses: The California Board of Registered Nursing recognizes Category 1 CME for RN license renewal purposes. Nurses may report Category 1 CME on a one-to-one basis. Write Category 1 CME in place of a provider number when reporting credits.

Physician Assistants: The American Academy of Physician Assistants and the NCCPA accept Category 1 CME on a one-for-one basis.

EDUCATIONAL OBJECTIVES

A complete list of educational objectives for this course appears on the conference website at www.csam-asam.org.

Upon completion of this course participants should be able to:

- Describe the effects of alcohol, tobacco and other drugs in both tolerant and non-tolerant individuals;
- Summarize the basic neurobiological, behavioral and genetic mechanisms of addiction;
- Describe the main drugs of abuse, their pharmacology, and specifics associated with the diagnosis, detoxification, and treatment for each;
- Describe the main features of related psychological disorders seen in patients suffering from substance abuse disorders.

OTHER ACTIVITIES

12-Step/Mutual Help Meetings will be held every day during the conference at 7:30 am and 9:00 pm.

Sunrise Runs on Thursday and Friday: Meet at the registration desk at 6:45 am both days.

PREPARING FOR THE ABAM CERTIFICATION EXAM

The Review Course presents an overview of the core elements of addiction medicine, presented by top experts in the field. Participants receive a course syllabus with copies of all lecture handouts and other materials that can serve as a study guide and help prepare for the exam. We recommend that those taking the exam begin their study of *Principles of Addiction Medicine* in advance. To order your copy, call ASAM Publications at 800/844-8948.

CERTIFICATION EXAM PREPARATION TRACK

For those who wish to have additional focused exam preparation, CSAM offers a Certification Exam Preparation Track. It provides 6 additional hours devoted to test-taking strategies, sample questions, high-yield exam content, and tips on how to prepare for the exam. These additional hours will be on Wednesday evening, Friday and Saturday mornings before the plenary, and Saturday afternoon.

HOTEL/TRAVEL

The conference hotel is the Newport Beach Marriott Hotel & Spa. A limited number of rooms is available at the conference rate of \$199 per night for single or double rooms until October 4. After this date, the hotel may offer any remaining rooms at the prevailing rate. To make reservations, phone 800/228-9290 or 949/640-4000. The Newport Beach Marriott is located at 900 Newport Center Drive, Newport Beach, CA 92660. Identify yourself as a CSAM registrant to receive the conference rate.

The Newport Beach Marriott is located 10 minutes from John Wayne International Airport (Orange County) and 60 minutes from Los Angeles International Airport.

“By the end of the conference I had a clearer understanding of the psychiatry, bio-chemistry, pharmacology, epidemiology of addiction medicine. Absolutely outstanding conference.”

— Evelyn Edelmuth, MD

PRE-CONFERENCE WORKSHOPS

Full Day Workshops (9:00 am – 5:00 pm)

Pain, Opioids and Treatment Across the Lifespan — What You Need to Know

Organized by Karen Miotto, MD and Lee Snook, MD

Treatment of pain in patients with a history of addiction and prevention of addiction in pain patients are challenges many physicians face. This workshop will provide an overview of the differences in the presentation and treatment of pain across the lifespan. Within this context the workshop will examine topics including treatment of non-cancer pain with opioids, the latest research on the neurocognitive mechanisms underlying complicated or traumatic grief and pain, the role of mind/body dynamics in the treatment of pain, and legal issues.

Dan Alford, MD, MPH, Associate Professor of Medicine, Boston University School of Medicine

Gabriel Benrubi, JD, Attorney, Belsky & Associates, San Diego, CA

Mark Edlund, PhD, Assistant Professor, Department of Psychiatry, College of Medicine, University of Arkansas for Medical Sciences

Karen Miotto, MD, Director of UCLA Addiction Medicine Service; Clinical Professor, David Geffen School of Medicine, UCLA

Allison Moore, MD, MPH, Professor, Division of Geriatric Medicine and Integrated Substance Abuse Program, David Geffen School of Medicine, UCLA

Mary-Frances O'Connor, PhD, Assistant Professor-in-Residence, UCLA Psychiatry and Behavioral Science, UCLA

Lee Snook, MD, Medical Director, Metropolitan Pain Management Consultants, Sacramento, CA

Advanced Topics in the Clinical Use of Buprenorphine

Organized by Matthew Torrington, MD; Monika Koch, MD; Jack Kuo, MD; Steven Ruh, MD; Carrie Schuman, MD

This workshop will compare buprenorphine treatment in different settings and with different populations, highlighting the effective elements. Other presentations will focus on the evidence for buprenorphine treatment during pregnancy, buprenorphine treatment for adolescents, and the management of pain in patients treated with buprenorphine. A review of the data about diversion of buprenorphine and mitigation strategies will also be covered. The concluding session will be devoted to ongoing management and treatment goals for patients stabilized on buprenorphine.

Marc Fishman, MD, Medical Director, Maryland Treatment Centers; Assistant Professor, Johns Hopkins University, Baltimore, MD

Karol Kaltenbach, PhD, Associate Clinical Professor and Director, Maternal Addiction Treatment, Education and Research, Department of Pediatrics, Jefferson Medical College, Philadelphia, PA

Walter Ling, MD, Professor of Psychiatry and Director, Integrated Substance Abuse Programs, David Geffen School of Medicine, UCLA

Matthew Torrington, MD, Addiction Medicine Research Physician, UCLA Integrated Substance Abuse Programs/Friends Research Institute

The Art of SBIRT — Motivating Patients and Teaching It Effectively

Organized by the Medical Education and Research Foundation for the Treatment of Alcoholism and Other Drug Dependencies (MERF). A limited number of scholarships is available from MERF for residents and faculty in residency training programs.

This workshop is designed for physicians who teach in residency training programs to improve teaching skills in screening for and assessing alcohol and drug use, conducting a brief intervention and making referrals to treatment (SBIRT). The majority of the time will be spent participating in interactive large group role plays and practicing clinical skills in facilitated small groups. Participants will be immersed in motivational interviewing (MI) interactions to facilitate learning and using this important tool. A medical education specialist will train participants to diagnose learners and teach more effectively.

Steven Eickelberg, MD, President, Medical Education and Research Foundation (MERF); Psychiatrist in Private Practice, Paradise Valley, AZ

Thomas Freese, PhD, Director of Training for UCLA Integrated Substance Abuse Programs; Director, Pacific Southwest Addictions Technology Transfer Center, Los Angeles

Sean Koon, MD, Chief of Addiction Medicine, Kaiser Fontana

Julie Nyquist, PhD, Professor, Division of Medical Education, Keck School of Medicine; Director, Master of Academic Medicine Program, USC, Los Angeles

Nicholas Sasson, MD, Faculty Substance Abuse Specialist, Natividad Medical Center, a UCSF Family Medicine Residency, Salinas, CA; Staff Physician, Dept. of Veterans Affairs, Palo Alto Division

Maureen Strohm, MD, Family Medicine Residency Director, Eisenhower Medical Center, Rancho Mirage; Associate Professor of Clinical Family Medicine Keck/USC School of Medicine

Ken Saffier, MD, Contra Costa Regional Medical Center Family Medicine Residency; Clinical Professor, Department of Family and Community Medicine, UCSF

Morning Workshop (8:30 am – 12:00 noon)

Medical Aspects of Cannabis

Organized by Timmen Cermak, MD

As California voters consider whether to change the legal status of marijuana, physicians need better information. This workshop will include discussion of the basic research necessary to understand the science of marijuana, the latest clinical data on marijuana use, dependence, withdrawal and treatment, an overview of recent research on the medicinal

characteristics of cannabis, and important new research specifically focused on the effects of marijuana on adolescents. The workshop will conclude with a review of CSAM's statements on medical marijuana and the medical aspects of cannabis legalization.

Alan Budney, PhD, Professor and Research Scientist, Center for Addiction Research, Department of Psychiatry, University of Arkansas

Timmen Cermak, MD, President, CSAM; Psychiatrist in private practice, Mill Valley and San Francisco, CA

J. Hampton Atkinson, MD, Professor, Department of Psychiatry, UC San Diego School of Medicine; Co-Director, University of California Center for Medicinal Cannabis Research

Krista Medina, PhD, Assistant Professor, Department of Psychology, University of Cincinnati, OH

Afternoon Workshops (1:30 pm – 5:00 pm)

Medical Detoxification: Real World Cases

Organized by Christy Waters, MD

The treatment of patients who are under the influence of, or experiencing withdrawal from, drugs of abuse requires an understanding of many variables, including an appreciation of the natural history and variants of such syndromes, an assessment of the patient's medical, psychiatric and social issues, and a knowledge of the uses and limitations of a variety of behavioral and pharmacologic interventions. This case-based workshop will address challenges posed by detoxification in cases involving alcohol, sedatives and opioids.

Anthony Albanese, MD, Director Chemical Dependency, Sacramento VA Medical Center

Murtuza Ghadiali, MD, Addiction Medicine, CDRP, Kaiser San Francisco.

Carol Havens, MD, Director of Clinical Education, Northern California and Staff Physician, Sacramento CDRP, Kaiser Permanente

Resources for Physician Well-Being Committees in California

Organized by David Pating, MD and Gail Jara

Committees of hospital medical staffs and others responsible for physician health and patient safety in California lost an important resource in 2008 when the MBC Diversion Program for Physicians closed. Several organizations are engaged in an effort to establish a state-wide program, California Physician Health, Inc. This workshop will include a report from the leaders of that effort and will highlight existing guidelines for how to identify and select the necessary resources to carry out the functions and responsibilities of well-being committees.

David Pating, MD, Chief, Addiction Medicine, Kaiser, San Francisco

James T. Hay, MD, North Coast Family Medical Group, Encinitas; Speaker of the House of Delegates, California Medical Association

Janis R. Thibault MFT, CADC, Director, Lawyer Assistance Program, State Bar of California

WEDNESDAY LUNCH EVENT 11:30 am – 1:30 pm California's Pioneers in Physician Health and Well-Being

At this luncheon, CSAM will recognize the early leaders in California's physician well-being activities, starting from the decade before the MBC Diversion Program was opened.
Separate fee for lunch event: \$50

7:00 pm – 9:00 pm

ABAM Certification Exam Preparation Track

(registration required; additional fee) An on-going workshop during the conference for those who want additional, focused, exam preparation.

PLENARY SESSIONS

THURSDAY, OCTOBER 28

8:30 am Welcome and Introduction

Mason Turner, MD, Conference Chair

8:40 am National Drug Control Policy Under Obama: An Insider's View

A. Thomas McLellan, PhD, Director for Demand Reduction, Office of National Drug Control Policy

9:30 am Cannabis

Alan J. Budney, PhD, Professor and Research Scientist, Center for Addiction Research, Department of Psychiatry, University of Arkansas

10:15 am Case Discussion

10:50 am Break with Exhibitors

11:10 am Neurobiology of Addiction

Eliot Gardner, PhD, Chief, Neuropsychopharmacology Section, Chemical Biology Research Branch, National Institute on Drug Abuse

11:55 am Receptors, Pharmacology and Medical Management of Addiction

Frank Vocci, PhD, President, Friends Research Institute, Baltimore, MD

12:35 pm Break for Lunch

1:45 pm Alcohol

Anthony P. Albanese, MD, Director Chemical Dependency, Sacramento VA Medical Center

2:40 pm Adolescents

Marc Fishman, MD, Medical Director, Maryland Treatment Centers; Assistant Professor, Johns Hopkins University, Baltimore, MD

3:25 pm Case Discussion

3:55 pm Break with Exhibitors

PLENARY SESSIONS

THURSDAY, OCTOBER 28 *(continued)*

- 4:15 pm Substance Abuse, Pregnancy and Fetal Development**
Nancy Goler, MD, Regional Medical Director, Early Start Program; Dept. Ob/Gyn, Kaiser Permanente Vallejo Medical Center
- 4:50 pm Opioids in Pregnancy: Outcomes of the MOTHER Study**
Karol Kaltenbach, PhD, Clinical Associate Professor and Director of Maternal Addiction Treatment, Education and Research, Department of Pediatrics, Jefferson Medical College, Philadelphia, PA
- 5:20 pm Adjourn Plenary Session**
- 7:30 pm Dessert Reception (free to registrants/guests) An Insider's View on the Treatment of Celebrities with Addictions**
Speaker: Reef Karim, MD, Assistant Clinical Professor UCLA Semel Institute of Neuroscience; Director, Beverly Hills Center for Lifestyle Addictions; Medical Consultant, Wonderland Residential Treatment Centers

FRIDAY, OCTOBER 29

7:30 am – 8:15 am

ABAM Certification Exam Preparation Track

- 8:30 am Benzodiazepines and Sedative Hypnotics**
Richard K. Ries, MD, FASAM, Professor of Psychiatry, University of Washington Medical School, Seattle, WA
- 9:20 am Opioids**
Daniel P. Alford, MD, MPH, FACP, Associate Professor of Medicine, Boston University School of Medicine
- 10:05 am Case Discussion**
- 10:35 am Break with Exhibitors**
- 10:55 am Presentation of the Vernelle Fox Award to Lyman Boynton, MD**
- 11:00 am Medical Consequences of Addiction**
Judith A. Martin, MD, Medical Director, BAART Turk Street Clinic, San Francisco, CA
- 11:35 am Pain and Safe Prescribing**
Daniel P. Alford, MD, MPH, FACP, Associate Professor of Medicine, Boston University School of Medicine
- 12:10 pm Break for Lunch**
- 12:15 pm CSAM Annual Business Meeting**
- 1:35 pm The "Pharmacology" of 12-Step Programs: How It Works**
Jeffrey D. Roth, MD, FASAM, Addiction psychiatrist and group psychotherapist; Medical Director, Working Sobriety, Chicago, IL

- 2:20 pm Treatment Modalities**
Peter Banys, MD, MSc, Clinical Professor of Psychiatry, UC San Francisco; Director, Substance Abuse Programs VA Medical Center, San Francisco, CA
- 3:05 pm Case Discussion**
- 3:35 pm Break with Exhibitors**
- 3:55 pm Presentation of the Community Service Award to Jerry Moe**
- 4:00 pm Drug Testing**
Anthony P. Albanese, MD, Director Chemical Dependency, Sacramento VA Medical Center
- 4:30 pm Motivational Interviewing**
Sharone Abramowitz, MD, Director Behavioral Medicine, Primary Care Medicine faculty, Alameda County Medical Center (UCSF Affiliate) Oakland, CA
- 5:00 pm Nicotine and the Treatment and Brain Imaging of Cigarette Smokers**
Arthur Brody, MD, Associate Professor in Residence, Department of Psychiatry and Biobehavioral Sciences, UCLA
- 5:45 pm Adjourn Plenary Session**

6:15 pm – 8:15 pm Friday Evening Poolside BBQ

(included in conference registration, guests welcome with additional fee)
Join us to unwind, southern California-style, at a pool-side BBQ in the hotel's stunning outdoor veranda overlooking Newport's harbor.

SATURDAY, OCTOBER 30

7:30 am – 8:15 am

ABAM Certification Exam Preparation Track

- 8:30 am Stimulants**
Steven L. Batki, MD, Director, Addiction Psychiatry Research Program, UCSF Psychiatry/SF VAMC
- 9:20 am Co-occurring Addiction and Psychiatric Disorders**
Richard K. Ries, MD, FASAM, Professor of Psychiatry, University of Washington Medical School, Seattle, WA
- 10:05 am Case Discussion**
- 10:35 am Break**
- 10:50 am Ethics/Confidentiality**
David Y. Kan, MD, Head, Opioid Replacement Team, VA Medical Center, San Francisco, CA
- 11:20 am Hallucinogens, Club Drugs, Inhalants**
John E. Mendelson, MD, Senior Scientist, Addiction Pharmacology Research Laboratory, California Pacific Medical Center Research Institute, San Francisco, CA
- 12:20 pm Adjourn**

1:00 pm – 3:00 pm

ABAM Certification Exam Preparation Track
